REGENERATIVE MEDICINE PACKAGE: *Donated by: Dr. Ali Mostoufi Value: \$6000*

This donation includes evaluation and treatment of a common musculoskeletal condition which could be treated with Plasma Rich Platelet (PRP) or Stem Cell Therapy. PRP and Stem Cell treatments use innovative, cutting edge technology to kick start the healing and regeneration of injured or aging tissues with the goals of pain relief, improved daily function and return to work or sports. In many cases, such treatments may delay or eliminate the need for surgical care.

This donation includes:

1. A 30 min private consultation with Dr. Ali Mostoufi where you will be evaluated, examined and based on your medical condition, the appropriate Regenerative Treatments can be discussed. Prior MRI of the target area is needed and should be coordinated by PCP.
2. The recommended procedure: PRP (plasma rich platelet) or Stem Cell (on a separate date)
3. A return visit to review results of treatment (approximately 8 weeks after the treatment)
4. You may re-gift (transfer) your treatment to a close family member or parent.

Common conditions that can be treated with PRP includes:

- Tendonitis and Bursitis
- Tennis elbow, golfers elbow, Achilles tendon injuries, Plantar fasciitis and other overuse injuries.
- Partial tendon or muscle tear, Rotator cuff injuries, MCL injuries
- Meniscal Injury of the knee, Labral tear of Hip or shoulder
- Spine conditions including ligamentous injury, Lower Back and Neck pain
- Lumbar disc disease (painful disc)

Common conditions that can be treated with Stem Cell therapy includes:

- Joint arthritis (Osteoarthritis)
- Common treated joints are Hip, Knee, Shoulders, base of thumb, AC joint and ankle and elbow

- Dr. Mostoufi is an Associate Professor of PM&R at Tufts University and former Associate Chairman of the PM&R Department. He completed Rehabilitation Medicine residency at Tufts University (Chief Resident) and Pain fellowship at Harvard Medical School. He is Board Certified Psychiatrist and Board-Certified Pain specialist.
-
- He is well recognized for his expertise in field of Musculoskeletal Medicine, Spine disorders and Sports injuries. Over the past 15 years, he has focused on Spine Care and Interventional Pain management at New England Spine Care, MGH Spine Center, MGH Pain Center, BIDMC Spine Center and Center for Musculoskeletal Medicine at Tufts Medical.
